

General Terms and Conditions for the Sale of Goods

1. Applicability.

(a) These terms and conditions of sale (these "**Terms**") are the only terms which govern the sale of the goods ("**Goods**") by the entity identified as the seller in the Sales Confirmation (as defined below), which shall be Quantum Computing, Inc. or one of its subsidiaries and affiliates EM4, LLC, Freedom Photonics, LLC, NuCrypt LLC, Nhanced Semiconductors, Inc., and OptoGration Inc. ("Seller") to the buyer ("**Buyer**"). Notwithstanding anything herein to the contrary, if a written contract signed by both parties is in existence covering the sale of the Goods covered hereby, the terms and conditions of said contract shall prevail to the extent they are inconsistent with these Terms.

(b) The accompanying quotation and order confirmation (the "**Sales Confirmation**") and these Terms (collectively, this "**Agreement**") comprise, except as provided in Section 1(a), the entire agreement between the parties, and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral. These Terms prevail over any of Buyer's general terms and conditions of purchase regardless whether or when Buyer has submitted its purchase order or such terms. Fulfillment of Buyer's order does not constitute acceptance of any of Buyer's terms and conditions and does not serve to modify or amend these Terms.

2. Order Acceptance; Delivery of Goods.

(a) Buyer's orders are subject to acceptance at Seller's sole discretion. No form of acceptance, except Seller's written Sales Confirmation, or Seller's commencement of performance, shall constitute valid acceptance of Buyer's order, with any such acceptance being expressly conditioned on assent to the Terms, and to the exclusion of all other terms. Seller may change its prices at any time without prior notice to Buyer, but such change shall not affect any quotation that has been outstanding for less than thirty (30) days or any order that Seller has expressly accepted by Sales Confirmation or through performance (whereby partial performance constitutes only partial acceptance to the extent performed). Once Seller has accepted an order, Buyer may not cancel, terminate, reschedule, suspend performance of, or otherwise change it in any way, except as set forth in Section 13 herein.

(b) The Goods will be delivered within a reasonable time after the receipt of Buyer's purchase order, subject to availability of finished Goods. Seller shall not be liable for any delays, loss, or damage in transit. Any shipping and delivery dates provided by Seller are estimates only.

(c) Unless otherwise agreed in writing by the parties, (i) Goods delivery terms will be Ex Works (Incoterms 2020) Seller's facility (the "**Delivery Point**"), (ii) risk of loss of the Goods shall transfer to Buyer upon delivery of the Goods at the Delivery Point (i.e., when the Goods are placed at Buyer's disposal at the Delivery Point), (iii) Buyer shall be responsible for all costs of packaging, handling, freight, shipping, insurance, customs clearance, duties, and other fees for Goods transportation, export, and import to the Buyer. If Buyer does not provide written shipping instructions, Seller will select the carrier and method of shipment, with transportation charges, customs clearance fees, and insurance costs to be paid by Buyer. All ordered products will be shipped in standard commercial packaging unless otherwise requested by Buyer and agreed to by Seller, or deemed necessary by Seller. Buyer shall bear the cost of all non-standard commercial packaging. Buyer must notify Seller within twenty-four (24) hours of its receipt of the Goods if it believes that the Goods were damaged prior to delivery at the Delivery Point. Buyer's sole remedy for delivery of damaged Goods shall be replacement of the Goods.

(d) Seller may, in its sole discretion, without liability or penalty, make partial shipments of Goods to Buyer. Each shipment will constitute a separate sale, and Buyer shall pay for the units shipped whether such shipment is in whole or partial fulfillment of Buyer's purchase order.

(e) If for any reason Buyer fails to accept delivery of any of the Goods on the date fixed pursuant to Seller's notice that the Goods have been delivered at the Delivery Point, or if Seller is unable to deliver the Goods at the Delivery Point on such date because Buyer has not provided appropriate instructions, documents, licenses or authorizations: (i) risk of loss to the Goods shall pass to Buyer; (ii) the Goods shall be deemed to have been delivered; and (iii) Seller, at its option, may store the Goods until Buyer picks them up, whereupon Buyer shall be liable for all related costs and expenses (including, without limitation, storage and insurance).

3. Title and Risk of Loss. Title and risk of loss passes to Buyer upon delivery of the Goods at the Delivery Point. As collateral security for the payment of the purchase price of the Goods, Buyer hereby grants to Seller a lien on and security interest in and to all of the right, title, and interest of Buyer in, to and under the Goods, wherever located, and whether now existing or hereafter arising or acquired from time to time, and in all accessions thereto and replacements or modifications thereof, as well as all proceeds (including insurance proceeds) of the foregoing. The security interest granted under this provision constitutes a purchase money security interest under the New Jersey

Uniform Commercial Code (N.J.S.A. 12A:9-101 et seq.). Buyer authorizes Seller to file such financing statements, and shall execute and deliver such other documents, as Seller may reasonably request to evidence and perfect such security interest.

4. Buyer's Acts or Omissions. If Seller's performance of its obligations under this Agreement is prevented or delayed by any act or omission of Buyer or its agents, subcontractors, consultants, or employees, Seller shall not be deemed in breach of its obligations under this Agreement or otherwise liable for any costs, charges, or losses sustained or incurred by Buyer, in each case, to the extent arising directly or indirectly from such prevention or delay.

5. Inspection and Rejection of Nonconforming Goods.

(a) Buyer shall inspect the Goods within three (3) days of receipt ("**Inspection Period**"). Buyer will be deemed to have accepted the Goods unless it notifies Seller in writing of any Nonconforming Goods during the Inspection Period and furnishes such written evidence or other documentation as required by Seller. "**Nonconforming Goods**" means only the following: (i) product shipped is different than identified in Buyer's purchase order; or (ii) product's label or packaging incorrectly identifies its contents.

(b) If Buyer timely notifies Seller of any Nonconforming Goods, Seller shall replace such Nonconforming Goods with conforming Goods once Seller confirms goods are non-conforming. Buyer shall ship, at its expense and risk of loss, the Nonconforming Goods to the Delivery Point. Seller shall, after receiving Buyer's shipment of Nonconforming Goods, inspect goods for non-conformance where applicable, if deemed non-conforming by Seller, ship replacement Goods to Buyer Ex Works (Incoterms 2020) the Delivery Point.

(c) Buyer acknowledges and agrees that the remedies set forth in Section 5(b) are Buyer's exclusive remedies for the delivery of Nonconforming Goods. Except as provided under Section 5(b), all sales of Goods to Buyer are made on a one-way basis and Buyer has no right to return Goods purchased under this Agreement to Seller.

6. Price.

(a) Buyer shall purchase the Goods from Seller at the price[s] (the "**Price[s]**") set forth in the Sales Confirmation.

(b) All Prices are exclusive of all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any Governmental Authority on any amounts payable by Buyer. Buyer shall be responsible for all such charges, costs and taxes; provided, that, Buyer shall not be responsible for any taxes imposed on, or with respect to, Seller's income, revenues, gross receipts, personal or real property, or other assets.

(c) Unless otherwise agreed in writing by Seller, quoted pricing shall automatically expire on the expiration date listed in the quotation or, if no expiration date is listed, thirty (30) days from the date of issue.

(d) Unless specified otherwise in the quotation, all payments are to be made in U.S. funds.

7. Payment Terms.

(a) Unless otherwise stated in the Sales Confirmation, and subject to credit approval by Seller, Buyer shall pay all invoiced amounts due to Seller within thirty (30) days from the date of Seller's invoice. Buyer shall make all payments hereunder by wire transfer, check, or Automated Clearing House payment, and in US dollars.

(b) Buyer shall pay interest on all late payments at the lesser of the rate of 1.5% per month or the highest rate permissible under applicable law, calculated daily and compounded monthly. Buyer shall reimburse Seller for all costs incurred in collecting any late payments, including, without limitation, attorneys' fees. In addition to all other remedies available under these Terms or at law (which Seller does not waive by the exercise of any rights hereunder), Seller shall be entitled to suspend the delivery of any Goods and stop Goods in transit if Buyer fails to pay any amounts when due hereunder and such failure continues for three (3) days following written notice thereof.

(c) Upon Buyer's failure to submit full or partial payment upon request, Seller may cancel or delay any or all of Buyer's orders and adjust those prices in effect at such time. Seller may also demand different terms of payment and assurance of Buyer's due payment.

(d) Buyer shall not withhold payment of any amounts due and payable by reason of any set-off of any claim or dispute with Seller, whether relating to Seller's breach, bankruptcy or otherwise.

8. Limited Warranty.

(a) Seller warrants to Buyer that for a period of 1 year from the date of shipment of the applicable Goods ("**Warranty Period**"), that such Goods will be free from material defects in material and workmanship. Any Good that is returned to Seller but which is found to meet the applicable specifications for the Good and/or is free of material defects in workmanship and materials, shall be subject to Seller's standard examination charge in effect at the time, which shall be charged to, and paid for, by Buyer.

(h) THE REMEDIES SET FORTH IN SECTION 8(f) SHALL BE THE BUYER'S SOLE AND EXCLUSIVE REMEDY AND SELLER'S ENTIRE LIABILITY FOR ANY BREACH OF THE LIMITED WARRANTY SET FORTH IN SECTION 8(a).

9. Limitation of Liability.

(a) IN NO EVENT SHALL SELLER BE LIABLE TO BUYER OR ANY THIRD PARTY FOR ANY LOSS OF USE, REVENUE OR PROFIT OR LOSS OF DATA OR DIMINUTION IN VALUE, OR FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES WHETHER ARISING OUT OF BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE AND WHETHER OR NOT SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE.

Buyer shall indemnify and hold Seller harmless for any fines and other costs incurred by Seller for any failure of Buyer or its affiliates to comply with the Export Controls. Buyer represents and warrants that neither Buyer nor any of its affiliates, nor any party to which Buyer will sell, transfer, or provide access to the Goods, is (x) identified on any applicable U.S. Government restricted party list, including the Specially Designated Nationals and Blocked Persons List, the Entity List, the Denied Persons List, the Unverified List, and the ITAR Debarred List, or (y) owned fifty percent (50%) or more, individually or in the aggregate, or controlled, by any party so identified. Seller may withhold, suspend, cancel, or decline performance under this Agreement, in whole or in part and without liability to Buyer, if any required export license or authorization is not granted, is delayed, or is revoked, or if Seller determines in good faith that performance would violate any Export Controls. Upon Seller's request, Buyer shall promptly provide end-use, end-user, and destination information and documentation with respect to the Goods.

12. Termination. In addition to any remedies that may be provided under these Terms, Seller may terminate this Agreement with immediate effect upon written notice to Buyer, if Buyer: (a) fails to pay any amount when due under this Agreement; (b) has not otherwise performed or complied with any of these Terms, in whole or in part; or (c) becomes insolvent, files a petition for bankruptcy or commences or has commenced against it proceedings relating to bankruptcy, receivership, reorganization, or assignment for the benefit of creditors.

13. Change and Cancellation.

(a) Buyer may not cancel or change this Agreement or any order of Goods, adjust the type, volume, delivery terms or price, suspend or reschedule any performance or deliveries by Seller or price for any reason, without Seller's written consent, which consent may be withheld or conditioned in Seller's sole and absolute discretion. Any agreed upon changes shall be effected by a written change order.

(b) Any request by Buyer for changes to the Goods shall be subject to the Seller's written consent and shall entitle Seller to modify the price of the Goods and any other terms of the Agreement affected by such change, including without limitation delivery dates, transportation terms and packaging requirements. No failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement operates, or may be construed, as a waiver thereof. No single or partial exercise of any right, remedy, power or privilege hereunder precludes any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

15. Confidential Information. All non-public, confidential or proprietary information of Seller, including but not limited to, specifications, samples, patterns, designs, plans, drawings, documents, data, business operations, customer lists, pricing, discounts, or rebates, disclosed by Seller to Buyer, whether disclosed orally or disclosed or accessed in written, electronic or other form or media, and whether or not marked, designated, or otherwise identified as "confidential" in connection with this Agreement is confidential, solely for the use of performing this Agreement and may not be disclosed or copied unless authorized in advance by Seller in writing. Upon Seller's request, Buyer shall promptly return all documents and other materials received from Seller. Seller shall be entitled to injunctive relief for any violation of this Section. This Section does not apply to information that is: (a) in the public domain; (b) known to Buyer at the time of disclosure; or (c) rightfully obtained by Buyer on a non-confidential basis from a third party.

Should third-party Intellectual Property rights be violated by Seller's Goods based on technical drawings or other data from Buyer, then Buyer shall defend, indemnify, and hold harmless Seller and its Affiliates for all third-Party Intellectual Property infringement claims. Notwithstanding anything to the contrary herein, any software or firmware embedded in or delivered with the Goods is licensed, not sold. Subject to Buyer's payment in full of all amounts due hereunder, Seller grants Buyer a limited, non-exclusive, non-transferable, non-sublicensable license to use such software or firmware solely as embedded in or delivered with the Goods and solely for the operation of the Goods as delivered.

17. No Reverse Engineering. Buyer shall not modify, de-compile, disassemble, reverse engineer, create other works from, or use any other process to gain access to the underlying design information or source code of any object or executable code, encrypted or other obfuscated information, prototype, sample or tangible object that may be disclosed hereunder.

No party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement (except for any obligations of Buyer to make payments to Seller hereunder), when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's ("Impacted Party") reasonable control, including, without limitation, the following force majeure events ("Force Majeure Event(s)": (a) acts of God; (b) flood, fire, earthquake, epidemics, explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) government order, law, or actions; (e) embargoes or blockades in effect on or after the date of this Agreement; (f) national or regional emergency; (g) strikes, labor stoppages or slowdowns, or other industrial disturbances; (h) shortage of adequate power or transportation facilities; and (i) other events beyond the reasonable control of the Impacted Party. The Impacted Party shall give notice within ten (10) days of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue. The Impacted Party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of thirty (30) days following written notice given by it under this Section 18, either party may thereafter terminate this Agreement upon ten (10) days' written notice.

19. Tooling Clause. Buyer does not and shall not acquire any ownership interest in or to any of Seller's Intellectual Property rights in Seller's tooling under these Terms despite any invoice charges for dies, tools, and fixtures. Any such charges represent only a portion of costs and do not account for Seller's engineering time and experience in the design. All dies, tool, and fixtures remain the property of the Seller and are not removable from the Seller's factory.

20. No Critical, Life Support Applications.

(a) Certain critical applications using Goods may invoke the potential risk of death, personal injury or severe property or environmental damage ("**Critical Applications**"). (b) Seller Goods are not authorized for use as critical components in life support devices or systems without the express written consent of the President of Seller, and Buyer hereby agrees to defend, indemnify, and hold Seller harmless from and against any and all claims, losses, expenses or damages of any type which arise out of or are due to such uses unless specifically approved by Seller in writing. For purposes of this Section 20, "life support devices or systems" shall mean those devices or systems which (i) are intended for surgical implant into the body, or (ii) support or sustain life, and whose failure to perform, when properly used in accordance with instructions for use provided in the labeling, can be reasonably expected to result in significant injury to the user. 21. Marks and Labels. Buyer acknowledges the value associated with Seller's goodwill. Buyer shall not obscure, remove or alter any trademarks, patent numbers, labels, serial numbers, product identification, copyright or other notices affixed to any Goods, related documentation or packaging, without the express written consent of Seller.

22. Assignment. Buyer shall not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of Seller. Any purported assignment or delegation in violation of this Section is null and void. No assignment or delegation relieves Buyer of any of its obligations under this Agreement.

23. Relationship of the Parties. The relationship between the parties is that of independent contractors. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture or other form of joint enterprise, employment or fiduciary relationship between the parties, and neither party shall have authority to contract for or bind the other party in any manner whatsoever.

24. No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any other person or entity any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of these Terms.

The provisions of the United Nations Convention on the International Sale of Goods shall not apply to this Agreement.

26. Submission to Jurisdiction. Any legal suit, action, or proceeding arising out of or relating to this Agreement shall be instituted in the United States District Court for the District of New Jersey or the courts of the State of New Jersey. Each party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding, and waives all objections and any argument that such forum is an inconvenient or otherwise inappropriate forum. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL SUIT, ACTION, OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.

27. Notices. All notices, requests, consents, claims, demands, waivers, and other communications hereunder (each, a "**Notice**") shall be in writing and addressed to the parties at the addresses set forth on the face of the Sales Confirmation or to such other address that may be designated by the receiving party in writing. All Notices shall be delivered by personal delivery, nationally recognized overnight courier (with all fees pre-paid), email, or certified or registered mail (in each case, return receipt requested, postage prepaid). Except as otherwise provided in this Agreement, a Notice is effective only (a) upon receipt of the receiving party, and (b) if the party giving the Notice has complied with the requirements of this Section.

28. Severability. If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

29. Survival. Provisions of these Terms which by their nature should apply beyond their terms will remain in force after any termination or expiration of this Agreement including, but not limited to, the following Sections: 7, 8, 9, 10, 11, 13, 15, 16, 17, 19, 20, 21, 22, 23, 24, 25, 26, and 31.

31. U.S. Government Sales. The Goods, and any software, firmware, technical data, and documentation delivered therewith, are “commercial products,” “commercial computer software,” and “commercial computer software documentation,” and constitute technical data developed exclusively at private expense, as such terms are defined or used in the Federal Acquisition Regulation (“FAR”) and the Defense Federal Acquisition Regulation Supplement (“DFARS”). If Buyer resells or delivers the Goods to, or purchases the Goods in support of a prime contract or subcontract with, the U.S. Government, any use, modification, reproduction, release, performance, display, or disclosure of such software, documentation, and technical data by the U.S. Government shall be governed solely by the terms of this Agreement to the extent permitted by FAR 12.212 and DFARS 227.7202 and 252.227-7015. Seller accepts no FAR or DFARS clauses or other U.S. Government flow-down provisions except those, if any, that apply mandatorily by operation of law or regulation to subcontracts for commercial products, and then only to the extent so mandated. No certified cost or pricing data requirements or cost accounting standards shall apply to Seller or to any order under these Terms.
